Report holdings, additions, and subscriptions as of the end of the fiscal year reported in Questions 1.6 and 1.7 in Part 1. Please read general information instructions below before completing this section.

This section of the survey (2.1-2.25) collects data on selected types of materials. It does not cover all materials (i.e., microforms, loose sheet music, maps, and pictures) for which expenditures are reported under Print Materials Expenditures, Electronic Materials Expenditures, and Other Materials Expenditures (questions 12.6, 12.7 and 12.8). Under this category report only items that have been purchased, leased or licensed by the library, a consortium, the state library, a donor or other person or entity. Included items must only be accessible with a valid library card or at a physical library location; inclusion in the catalog is not required. Do not include items freely available without monetary exchange. Count electronic materials at the administrative entity level (main library); do not duplicate numbers at each branch.

Note: Report figures as of the last day of the fiscal year reported in Questions 1.6 and 1.7 in Part 1. Include the FTE for all positions funded in the library's budget whether those positions are filled or not. This report requires conversion of part-time hours to full-time equivalents (FTE). To compute the FTE of employees in any category, take the total number of hours worked per week for all budgeted positions in that category and divide that total by the number of hours per week the library considers to be full-time. Report the FTE to two decimal places.

FTE (FULL-TIME EQUIVALENT CALCULATION)
